PLANT

The Greenwich Tree Conservancy, partnering with the town, works to enhance our town tree canopy planting over 2000 site-selected trees since 2007.

PRESERVE

The Greenwich Tree Conservancy promotes responsible stewardship through seasonal tree walks, workshops, field trips and guest lectures.

PROJECT

On the local and state levels, the Greenwich Tree Conservancy advocates on behalf of trees and the many benefits they offer.

The Greenwich Tree Conservancy

A 501(C)3 NON-PROFIT ORGANIZATION

was created in 2007 to preserve and enhance the tree and forest resources of Greenwich to benefit our community, our health and our quality of life.
